

Figure 1
Comparative Example 1
Response of Q/m to humidity changes for control toner, Example 1

Figure 2

Comparative Example 1

Charge to mass response as a function of developer operating time, hours

Figure 4
Example 4
 Charge / mass Response to developer age

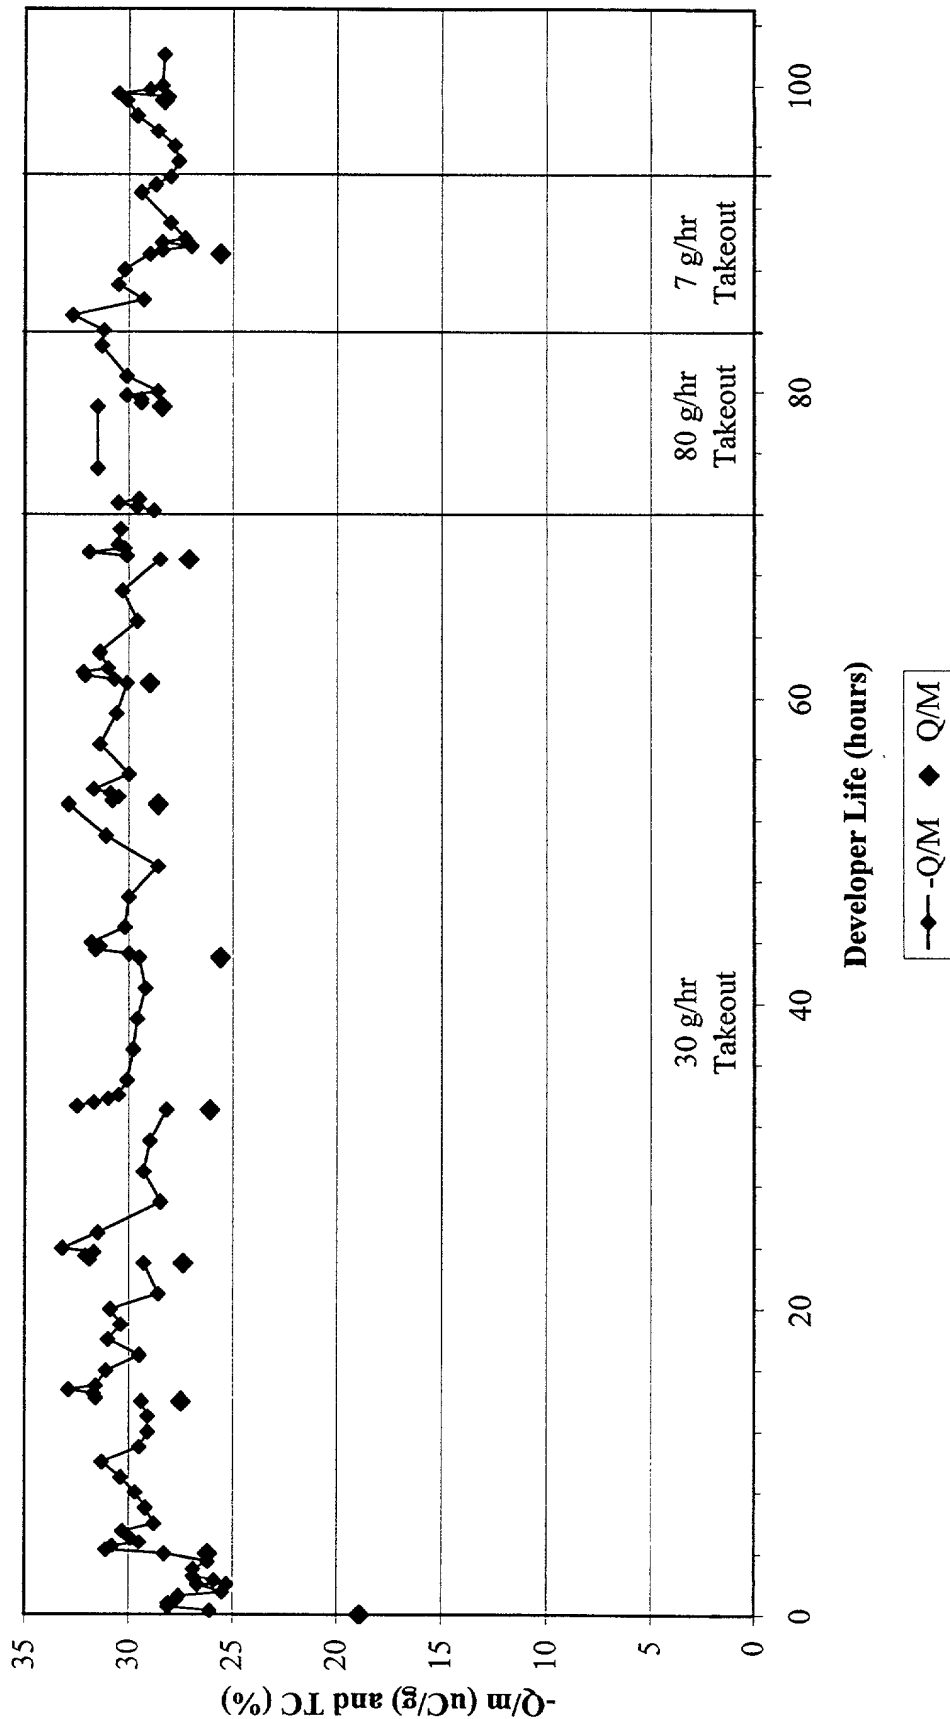

Figure 5
Example 3
 Charge / mass Response to developer age

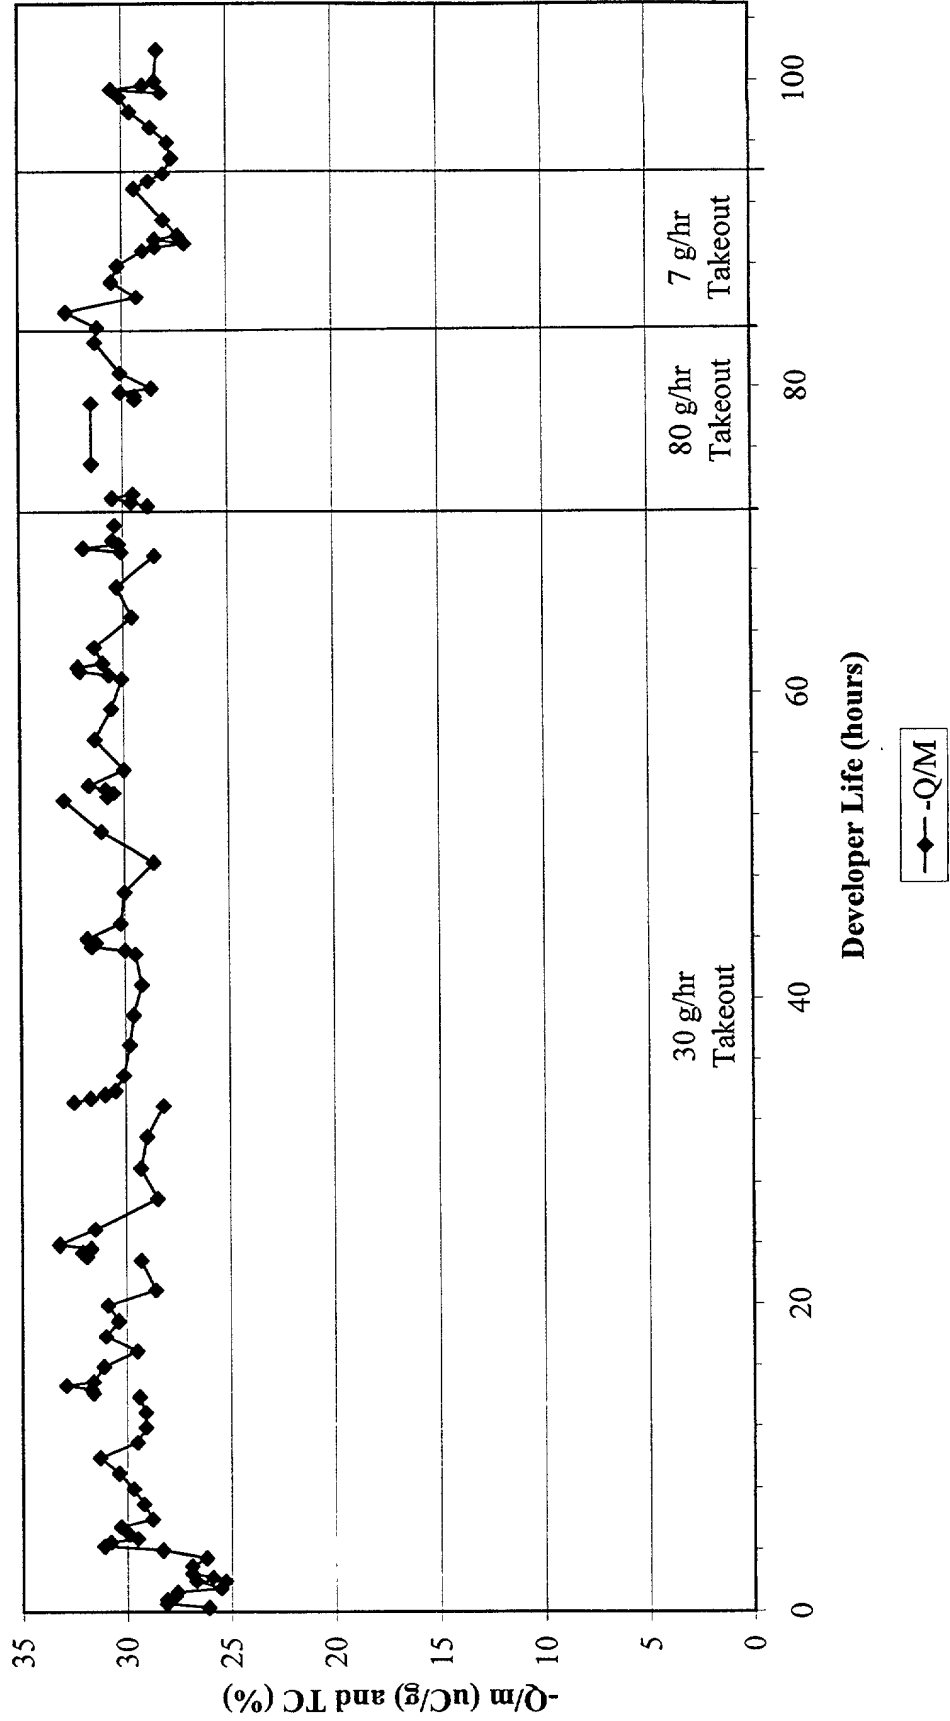

Figure 6
Example 2
Charge / mass Response to developer age

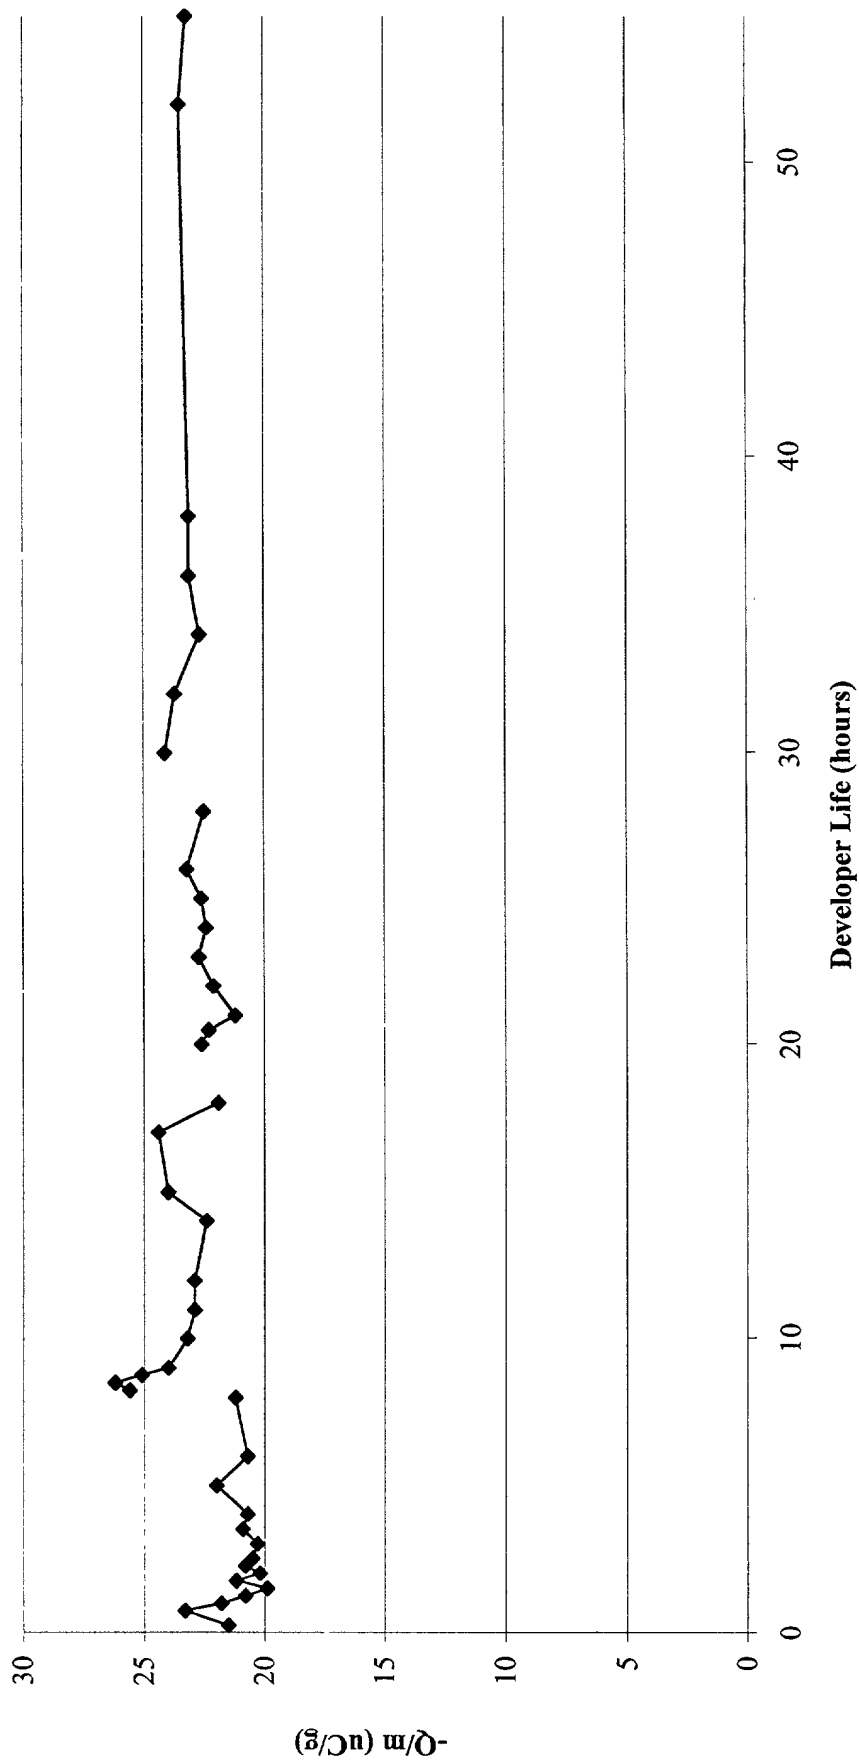

Figure 7
Comparative Example 1
